RADIO SRF

A Co-production
with Radio SRF 2 Kultur

With this CD, Admir Doçi covers a broad spectrum of nearly 500 years of music. This recording offers wonderful, mostly unknown music that leads the listener first into past epochs, then with the "memorias" takes him to memories of the present. Admir Doçi's instrument, the 13-string guitar Chiavi-Miolin, enables him to play music on a single instrument that was originally conceived for the most varied types of plucked string instruments.
